You will need to complete these 3 steps IF digging is required before your permit is approved:

- 1.) **You must call in a Gopher One**
- 2.) **Once the Gopher has been done, you need to stake out the project.**
- 3.) **Complete the permit application and return to City Hall for Council approval.**

This permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work has commenced. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
