MARCH 2026

New at the Hanska Library

Anyone with a library card can now check out a hotspot that gives you free internet access (wi-fi) at home or on the road. There are 4 hotspots available, as well as 4 laptop computers that can be checked out for free. Hotspots and laptops can be checked out for up to three weeks at a time.

We also have a Nex Playground Gaming system that can be checked out for a weekend. Stop in to see the game in action! Nex Playground is a unique system that engages the whole family with fun physical activity.

These services were made possible with a \$7,500 Taylor Rural Improvements grant, combined with an additional \$2,500 raised by the Friends of the Hanska Library. The Hanska Library was also able to purchase all new desktop computers, wireless headphones, and a 75" smart TV for patrons to use during regular library hours. The library is open M-F from 2-6 pm.

The only thing that you absolutely have to know, is the location of the library - Albert Einstein

Hanska's City Ordinance of the Month

In an effort to increase community awareness, the City of Hanska will highlight an existing ordinance each month.

Summary:

Residents are required to remove snow, ice, dirt, and rubbish from sidewalks within 24 hours.

If residents fail to remove snow, ice, dirt and rubbish within 24 hours, the City of Hanska will remove it and charge the resident for the removal.

§ 92.01 ASSESSABLE CURRENT SERVICES. (A) Definition. For the purpose of this section, the following definition shall apply unless the context clearly indicates or requires a different meaning. CURRENT SERVICE. Shall mean one or more of the following: snow, ice, or rubbish removal from sidewalks; weed elimination from street grass plots adjacent to sidewalks or from private property; removal or elimination of public health or safety hazards from private property, excluding any hazardous building included in M.S. §§ 463.15 through 463.26 as they may amended from time to time; installation or repair of water service lines; street sprinkling, street flushing, light street oiling, or other dust treatment of

repair of sidewalks and alleys; trimming and care of trees and removal of unsound and insect-infected trees from the public streets or private property; and the operation of a street lighting system. (B) Snow, ice, dirt and rubbish. (1) Duty of owners and occupants. The owner and the occupant of any property adjacent to a public sidewalk shall use diligence to keep the walk safe for pedestrians. No owner or occupant shall allow snow, ice, dirt or rubbish to remain on the walk longer than 24 hours after its deposit thereon. Failure to comply with this section shall constitute a violation. (2) Removal by city. The City Clerk or other person designated by the City Council may cause removal from all public sidewalks all snow, ice, dirt and rubbish as soon as possible beginning 24 hours after any matter has been deposited thereon or after the snow has ceased to fall. The City Clerk or other designated person shall keep a record showing the cost of removal adjacent to each separate lot and parcel. (C) Public health and safety hazards. When the city removes or eliminates public health or safety hazards from private property under the following provisions of this chapter, the administrative officer Health and Safety; Nuisances 35 responsible for doing the work shall keep a record of the cost of the removal or elimination against each parcel of property affected and annually deliver that information to the City Clerk.
